All the Gold IN GEORGIA Could not Buy—

Rodrig, Ga. August 27, 1908. Messrs. E. C. DeWitt & Co., Chicago, Ill.

Gentlemen: In 1897 I had a disease of the stomach and bowels. Some physicians told me it was Dyspepsia, some Consumption of the Lungs, others said it was a poor circulation of the blood. I was told I would not live until Spring, and for four long years I existed on a little boiled milk, soda biscuits, doctors' prescriptions and Dyspepsia, remedies that flooded the market. I could not digest anything I ate, and in the Spring 1903 I picked up one of your *Aliments* as a poor stranded Dyspepsia wreck will grasp at anything, and that *Aliment* happened to be my life savor. I bought a fifty cent bottle of KODOL DYSPEPSIA CURE and the benefit I received from that bottle ALL THE GOLD IN GEORGIA COULD NOT BUY. I kept on taking it and in two months I went back to my work, as a machinist, and in three months I was well and hearty. I still use a little occasionally as I find it a fine blood purifier and a good tonic.

May you live long and prosper.

Yours very truly, O. N. CORNELL.

Biliousness and Constipation.

For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, purify the stomach, liver and blood, helping the system to do its work naturally.—Mrs. Rosa Potts, Birmingham, Ala. These tablets are for sale at all dealers.
